

World of opportunities

EVENT A fair offering a range of job options exclusively for women will be held on March 19

The Hindu Opportunities is back after a break — this time bigger and better. Focussing exclusively on women, *The Hindu Women Opportunities Fair 2011* will be the venue for over 25 reputed recruiters from the IT, ITES, Retail and Automobile sectors. Expecting to generate more than 7500 jobs, women at this fair can choose to apply for full-time, part time, contract-based or assignment-based openings.

Some of the recruiters are Accenture, Sutherland Global Services, HCL, Wipro Technologies, Tractors and Farm Equipment Limited, Future Group, Scope International, Larsen & Toubro Infotech, Ford Technology Services India, Cads Software India, Medusind Solutions, Reverse Informatics, Mobius Knowledge Services

and STC Group of companies.

Types of jobs

The types of jobs on offer at the fair are in the areas of Marketing, Finance & Accounts, Customer Service, IT, HR, Engineering, Journalism and Sales.

To participate, candidates must register online at www.avtariwin.com/womenjobfair. Once the process of registration is complete, candidates need to take a printout of their registration acknowledgement, with a unique registration number before meeting their prospective employer. It is advisable to carry at least 30 printouts of one's resume to the fair. Huge in scale, this event will have something to offer to everyone from a fresh graduate to a professional

with over 10 years of experience.

Candidates will be asked to register online and those with a minimum of two years experience will be issued Hall Entry Tickets (HET) by return mail. Candidates with less than two years of experience will be pre-screened based on the requirements of the participating companies. HETs will be sent to the candidates only if they fit the requirements of at least one of the participating companies. Entry will be strictly on invitation.

This fair will be held on March 19, between 9 a.m. and 6 p.m. at Laity Auditorium, 17, Balfour Road, Kilpauk, (Behind Bains School). It will have different entry points based on your level of work experience. Freshers can come in from the Ormes Road entrance of Bains School, while professionals with experience of over two years can walk in from the Balfour Road entrance.

The associate sponsors are Accenture & Sutherland Global Services; the knowledge partner, Avtar-I-Win; the event manager, Center Link Solutions; and the radio partner, Radio One 94.3 FM.
